Experience

Art Director/Production Designer

Worked along side directors and producers developing their project's visual direction for two feature films and an NBC pilot. Managed the creation of the productions' visual elements.

Associate Creative Director

Created engaging content that propelled pharmaceutical brands communications through their evolution from print to digital delivery. Used strategic scientific insights to create compelling brand stories. Pitched agency's work to prospective clients. Managed project time lines and creative staff.

Sr. Art Director

Developed and managed the execution of visual strategies that advanced clients' brands. Created and pitched client proposals/presentations. Developed and managed concurring internal timelines and budgets. Oversaw creative staff (vendors, photographers, printers and freelancers).

Art Director / Project

Created the theme and visual direction for a video based digital campaign for the Coca-Cola Co Creations meant to show coke's role as an integral part of tasty summer food traditions.

Freelance Art Director

Created Pharma/Health Care visual assets including new look & feel, advertising and tag-lines for a newly re-branded hospital network. Developed collateral for agency's other pharmaceutical brands.

Art Director / Freelance

Developed social media concepts and created visual assets for NBTY brands (MET-Rx, Body Fortress, Pure Protein) to keep their consumer base engaged during the holiday season.

Senior Brand Designer

Brought on as Junior Designer then quickly promoted to Art Director, worked exclusively alongside creative director creating brand marks and brand guideline manuals to ensure multi media fidelity.

Art Director

Developed corporate marks, websites, and corresponding collateral. Contributed as creative director developing visual strategies that enabled clients to reach their target audiences.

Art Director

Redesigned magazine and its website, produced photo shoots, directed and hired freelancers, illustrators and photographers. Diligently worked with printers to meet publication deadlines.

Art Director / Video Project

Created the visual direction for the video piece and coordinated the construction of the sets for Toyota Camry's, demographic specific, social media campaign.

Spatial Branding / Freelance

Coordinated with the Lincoln Center event staff and Black Girls Rock Staff to design site specific color decor, signage and posters for the Cover Girl sponsored event.

Junior Art Director / Freelance

Created imagery for the female tween market. Worked with agency's creative director to produce a suite of images for use in the Secret/Gillette, "Create Your Own Expressions" campaign.

Assistant Art Director

Gathered images from record labels and oversaw the scheduling and budgets of photoshoots. Responsibilities also included concert & product photography and a portion of the editorial design.
